A consent waiver for any go-kart admission must be signed by parent or guardian for each person participating in that activity.

Before scheduling a party, confirm height and age requirements. Please arrive 10 minutes before the start of your party. Our Party Room has a seating capacity for 15 children and 4 adults. With prior notice, larger parties can be accommodated at another location.

- Please do not send invitations to your guests until our office signs this form. • Family Recreation invitations are available upon request.

A \$20.00 NON-REFUNDABLE deposit is required to schedule a party. We accept credit card or cash. Your birthday form and non-refundable deposit must be postmarked no later than two weeks prior to your reserved date.

Birthday Party Overview

Family Recreation Park has been the official party site for thousands of friends and families over the past decade. Our goal is to provide everyone with a fun, memorable time that they will fondly look back on in the future. Yes, it's true...it is possible for Mom's and Dad's to have fun right along with the kids. There is no need to agonize over the setting-up and cleaning-up because your exclusive Family Recreation Park Host/Hostess will take care of it for you. Below you will find some of our most frequently asked questions (F.A.Q.'s) regarding our birthday parties. Please look over them carefully, and if you still have additional questions, please call us so that we may answer them for you. Please note that all animals except seeing eye dogs are prohibited.

Birthday Party F.A.Q.'s

1. What happens if it rains during the party?

Although we may not be able to keep the rain away, we can keep all of the sunshine inside! The party will still occur as scheduled even if the weather is threatening. We have plenty to do in our Game Room to keep your guests occupied for the duration of the party. Your guests will also receive passes to the selected activities to be used at a later date. Be assured that every effort is made to ensure your satisfaction.

2. What are your age and height requirements and how do they apply?

As imposed by both state and insurance regulations, Family Recreation Park has age and height requirements for the safety of our customers. These requirements must be met before a person takes part in an activity. They are as follows: **Jr. Go-Karts** Driver must be 5 YRS.. **and** 48 inches tall, **Slick Track** Driver must be 8 YRS.. **and** 56 inches tall, **Figure-8 Track** Driver of a single-seater must be 13 YRS.. **and** 60 inches tall, Driver of a two-seater must be 16 YRS.. and the passenger over the age of 4 YRS.. **Please consider all age and height requirements before scheduling.** If you plan on having children of several different ages attend your party, you may want to consider selecting 2 packages (one for the younger children and one for the older children) or choose Package 1 where age and height requirements do not apply. For example, if you select Package 3 and have guests that do not meet BOTH requirements they will not be permitted to drive on the Slick Track. In such cases, we would move that guest to Package 2 and you would be billed accordingly. If you would like further clarification on our age and height requirements, please ask.

3. Can I bring extra party treats for my guests?

Absolutely! At Family Recreation Park parents are given the freedom to bring in any additional items that they would like to give their guests. However, if you would like to have special activities for them, we ask that you wait until your scheduled party is over. Also, please note that the food, drink, ice cream, and supplies are for the party guests using the packages only. Any additional items that you may want to purchase for parents, family, or friends must be purchased at our Snack Bar, by parent or guardian. Hosts/Hostesses are kept very busy serving the party guests so your cooperation would be appreciated.

4. What happens if I decide to cancel my party after it has been scheduled?

In some instances we understand that a cancellation is necessary, however, we ask that you notify us as soon as possible if such an occasion arises. **Also, please note that the \$20.00 deposit is non-refundable.**

5. What happens if I do not meet the minimum number of guests?

We establish a minimum number of guests for each party as a part of the agreement. If the package minimum is seven and only six guests attend, you will still be billed for seven. However, if you are expecting twelve children and only ten arrive, you will only be billed for ten since the minimum has been met.

6. What is the party format?

Typically, the party begins with the activity and finishes with the cake and ice cream. However, your Host/Hostess may alter this arrangement if the weather, time of day, other park events, etc. warrants it. Check with your Host/Hostess upon arrival to receive the timeline of events.

7. Where is the Party Room?

The Party Room is located in the back section of our Game Room, which is in the lower building. It is air-conditioned and decorated to suit your party. Also, remember to include "Parents may drop off children at the Game Room", on your invitations so that there is no confusion.

Finally, we would like to remind parents that it is absolutely necessary to start the party on time. Our Hosts and Hostesses have been trained to complete all activities within a two hour time limit. It becomes a challenge to squeeze in all of the planned activities when there is a delayed start. Also, if a party is late starting, please be aware that we can not extend the party's time.
